EXHIBITION

VOICES

Tuesday 2 – Tuesday 23 April

Free

Voices presents a thought-provoking collection of poetry created by people whose voices, for health, social or age-related reasons, are rarely heard, combined with photography of those involved.

Award-winning poet Ben Norris worked with four very different groups across Nottinghamshire to develop a body of poems that express their emotions, experiences and stories. The four groups included elderly people living with dementia, adults with learning disabilities, refugees, and people living with, or affected by, mental health issues.

The process of drawing out the poetic voices of those involved was documented by photographer Ben Harriott. The resulting poetry and images were curated into this inspiring exhibition, which aims to share the groups' stories with a wide audience.

Voices will tour Inspire Libraries between 2019 and 2020. For details visit

www.inspireculture.org.uk/voices

In collaboration with Inspire: Culture, Learning and Libraries

With special thanks to the groups involved: Woodleigh Christian Care Home, Mansfield; Building Bridges, West Bridgford; Bassetlaw Day Service, Worksop and Nottingham and Nottinghamshire Refugee Forum Young People's Project.
