

# Make a light shade for our Big Draw library illuminations and be part of a sparkly spectacle!

Draw on the inside of the shades

To make a fringe cut between the dotted line and the edge

Scalloped edge

Choose a light shade template to cut out, draw and decorate. Then add your shade to our LED fairy lights and SHINE!!!

THE 2016<sup>®</sup>  
**BIG  
DRAW  
FESTIVAL**

## Join in At a 'Fully Illuminated Fun' workshop near you...

Explore technology with creativity. Use conductive drawing materials and work with an artist to create beautiful drawings, add an electric circuit and turn science into art. Become part of a touring library exhibition and have fun drawing!

**Tickets £2.00, all ages welcome.**

**1 free adult place per paying child.**

Booking essential, please contact the individual libraries.
