

## Things you will need

- Symbol search
- Symbols at home sheet
- Coloured Pens

## What to do

1. Print the symbol search for each person
2. Find the symbols on the sheet

## Extra ideas

### ▪ Counting

Look at the other symbols on the sheet.

How many flowers are there? 

How many thumbs up are there? 

How many flags are there? 

### ▪ Look for symbols

There are lots of symbols in our homes.

They give us information.

Look for symbols in your home. You might find them on :

- labels in your clothes
- food packaging
- magazines or newspapers
- equipment like TV and telephone

Did you find symbols anywhere else?

If you don't know what a symbol means, ask someone in your family, a friend or staff.

You could use the 'symbols at home' sheet to copy the symbols and show what each one means.
