

## People of Sherwood – Family Tree

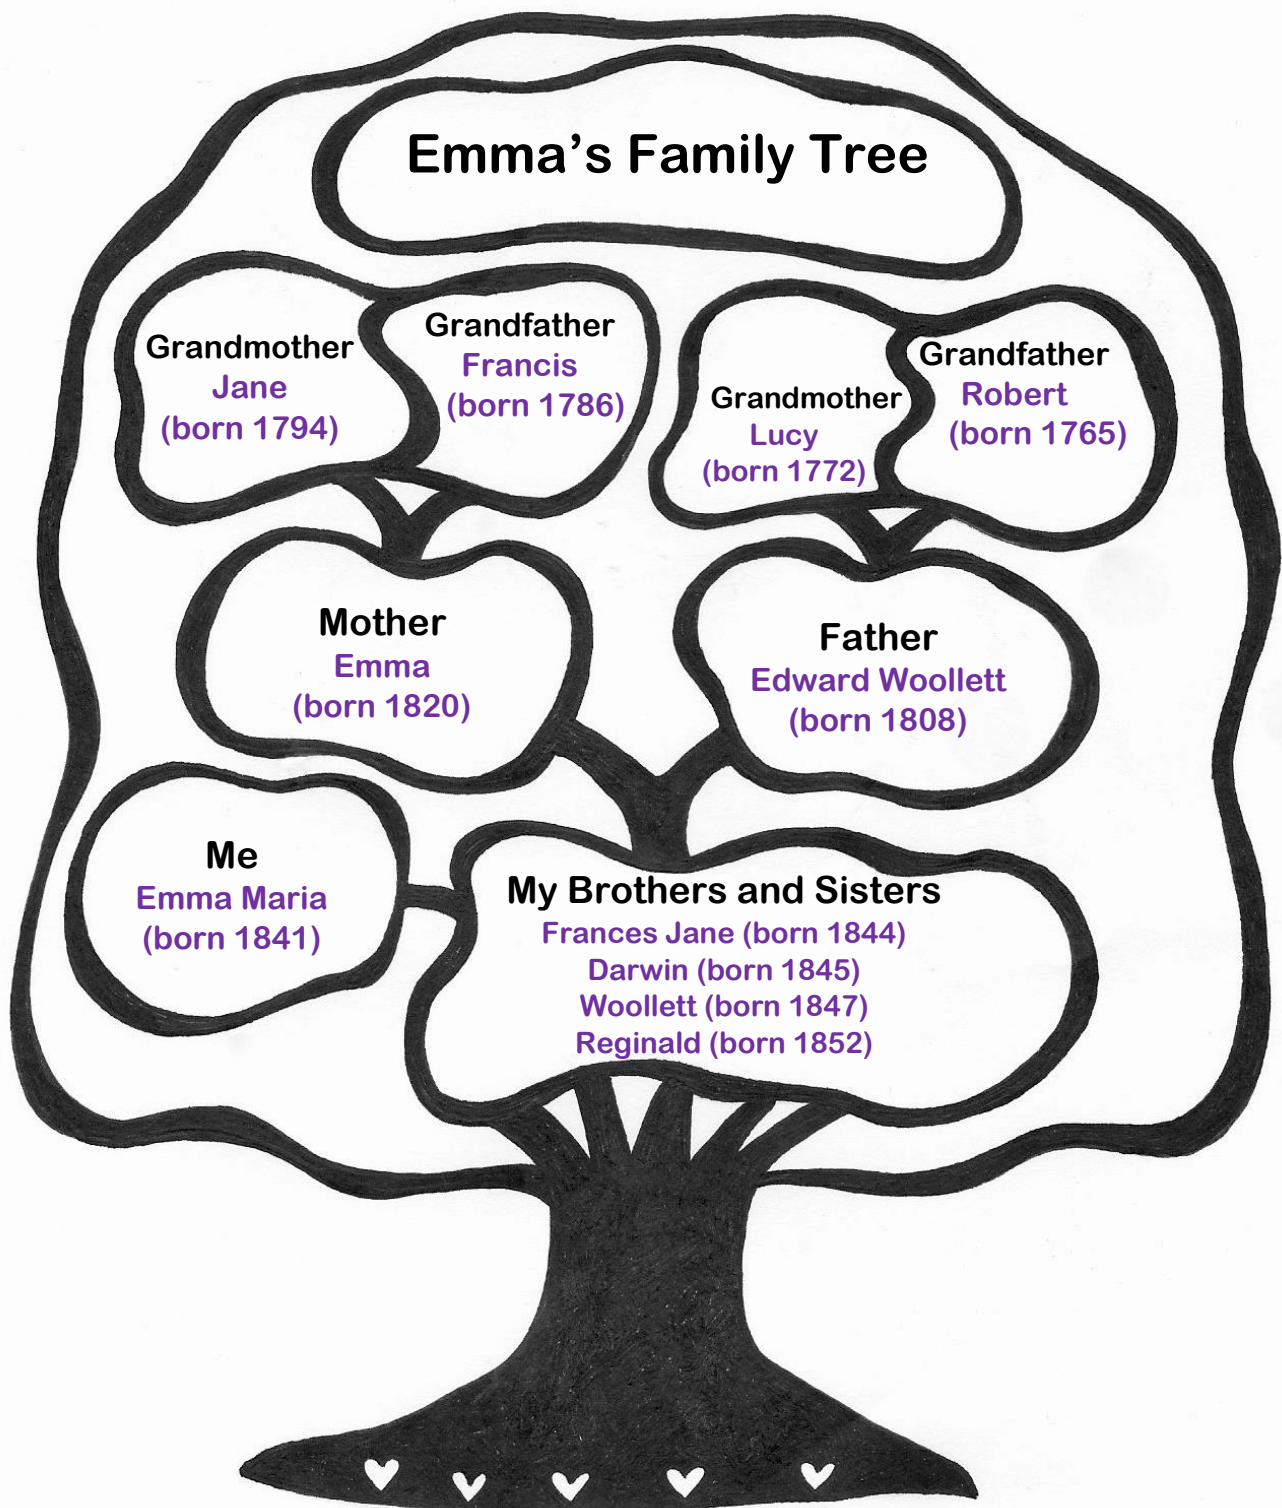

Welcome to the world of artist Emma Wilmot, who lived in the Sherwood Forest area of Nottinghamshire in the 1840s, almost 200 years ago!

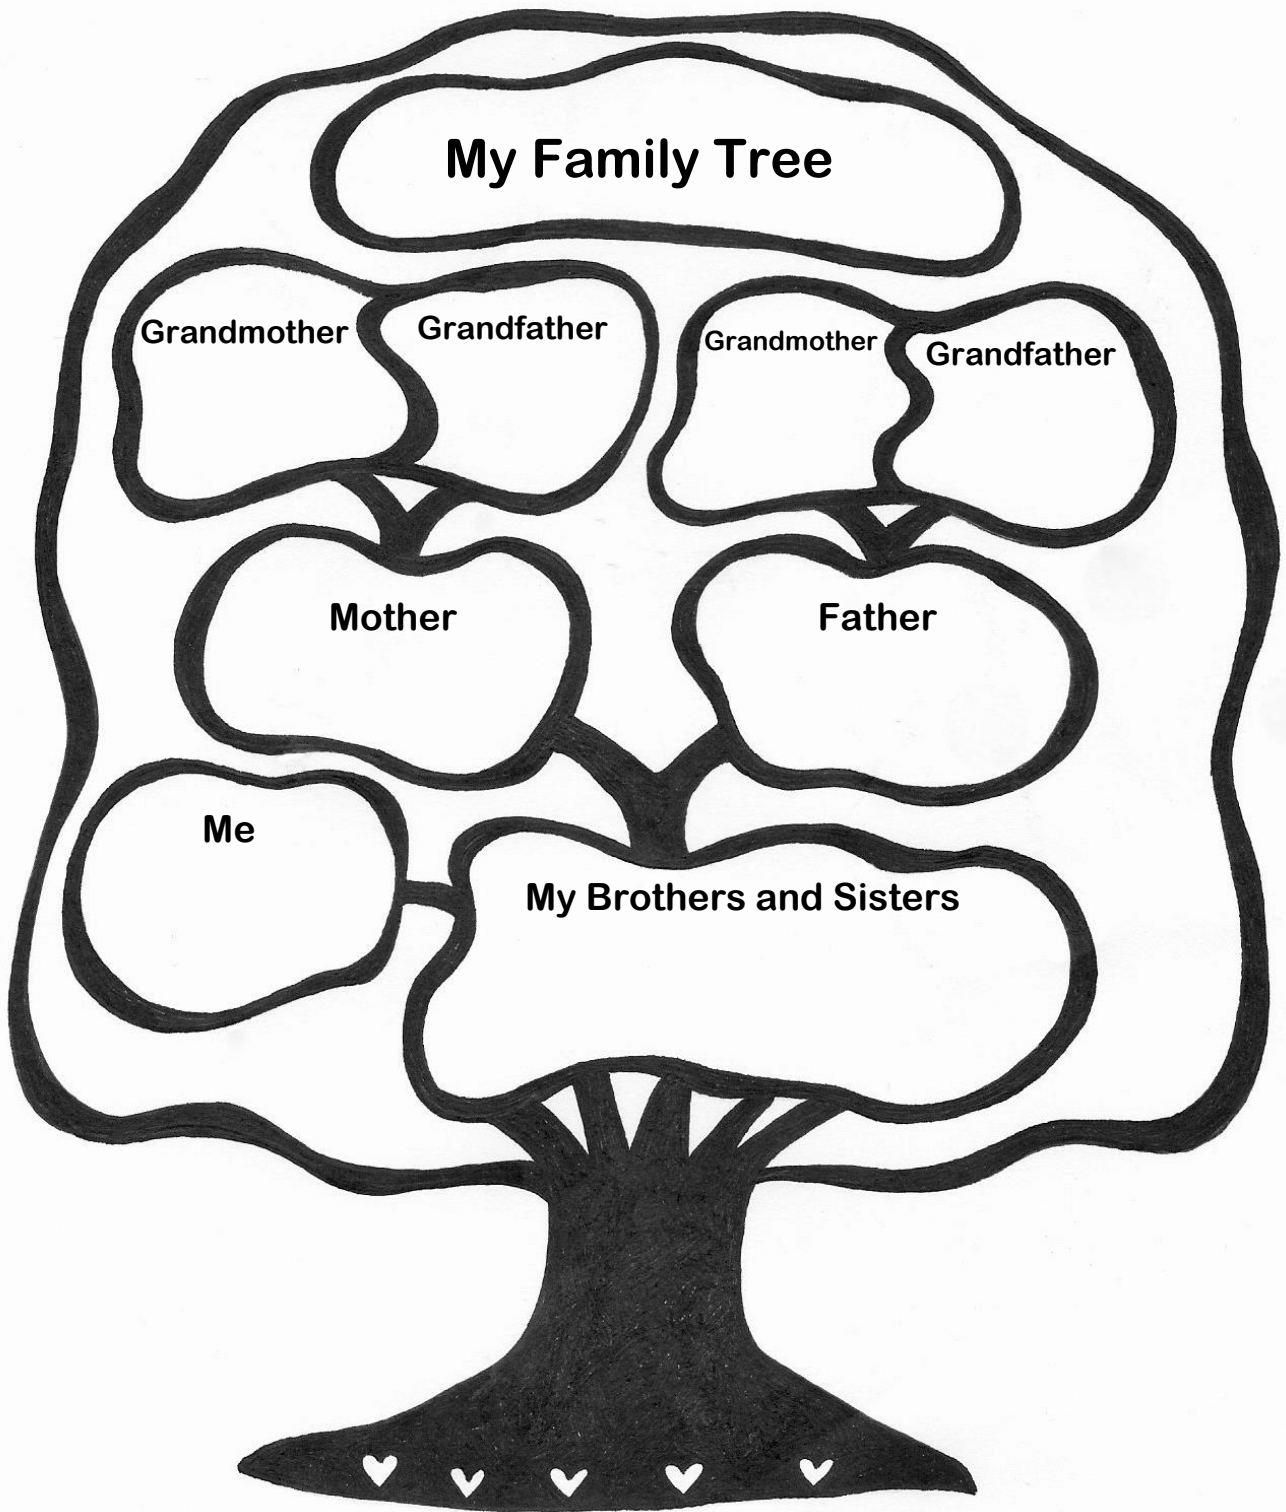

Emma and her husband, Edward Woollett Wilmot, had four children together whilst living at Sparken House in Worksop, Nottinghamshire. After leaving Nottinghamshire, Emma gave birth to another son, Reginald.

Below is a family tree that could have been made by Emma and Edward Wilmot's eldest daughter, Emma Maria.

Colour in Emma's family tree and then create your own family tree on the next page. You could fill in the names and birth years of your family members, or even draw pictures or insert photographs...

*If this template is not suitable for your family, why not draw your own or add some extra branches?*
