

Design a bunting flag inspired by a mighty oak tree

Join in with The Big Draw 2020!

Design a bunting flag inspired by an **oak tree**.

Inspire will select some designs to be painted onto silk and become part of the [Miner2Major](#) festival bunting and [The Big Draw Exhibition](#).

Your design can include: oak leaves, acorns or the whole tree!

- Print this sheet or get a piece of A4 paper and draw a triangle shape measuring 20cm along the top and 30cm down the sides.
- Draw your design onto the triangle in pencil first and when you are happy with them go over the outlines with thick black felt tip or a black marker pen.
- We're looking for bold, simple outline designs, think of stained-glass windows.
- When your design is finished take a picture of it and send it on an email to: arts@inspireculture.org.uk by 1 Nov 2020.
- Good luck!

Full details on the work of Miner2Major can be found at www.miner2major.org.uk
