We realise that online learning may present problems for some, and we're busy finding ways to help make learning online as accessible as possible. If there are barriers that make it difficult for you to join an online course with us, please get in touch on 01623 677 200.

Get online with Inspire Learning

During Covid-19 we've continued to bring learning to the residents of Nottinghamshire by developing our eLearning opportunities and offering most of our courses online. This has been very successful and we have had great feedback.

Our community and family learning courses are for everyone aged 19+, in response to Covid-19 almost all our spring term courses are online – the same expert tutors, the same friendly group learning experience, but online via Zoom.

Courses are short enough to try something new without a huge commitment. They're informal, fun and friendly and you don't need any skills or qualifications to take part.

Our family learning courses bring families together to spend quality time together whilst learning something new.

If you're unemployed or looking for work we can provide you with support and a mentor to help you find work.

As well as employability, functional skills and accredited courses listed in this leaflet we have dedicated funding through the Way2Work initiative, to support residents in Nottinghamshire, Nottingham, Derby and Derbyshire into training and employment.

We know Covid-19 has had an impact on secure employment in our local communities and we're here to help.
