

George Martyn's Barn

Main Street, Keyworth

A history

Edited by Sheila Barton

Keyworth & District Local History Society

Keyworth Conservation Area Advisory Group

This building, a unique and iconic feature of the conservation area, standing since 1651, has been inaccessible to the public until now.

This 48pp illustrated book is an introduction to its historical background, how it was constructed, and its place in the community.

The Conservation Area Advisory Group assumed the tenancy with Rushcliffe Borough Council in 2020, and will open to the public as the pandemic restrictions are lifted, when the book will be available, £7.00.
