## What is Skills for Employment?

Skills for Employment has been involved in training for 35 years. Our friendly, trained staff have lots of experience of working with young people. We have 7 centres across Nottinghamshire and also provide traineeships. We have trained thousands of young people, many of whom have progressed into further education, work or onto an Apprenticeship. Our tutors have the time and expertise to offer you individual training and support to help you develop as a person and become a better you!

## How much will I get paid?

You will be paid between £20 and £40 per week, depending on your programme. All travel costs will be refunded and you may be entitled to free meals.

## When can I start?

Our programme is roll-on, roll-off, which means you can start any time of year and finish any time. The programme is personalised to you and you can work at your own pace. You will be given time off over the summer, at Christmas and Easter, as well as half-term breaks.

## What qualifications will I get?

We offer City and Guilds and AIM Awards qualifications in:

Level 1 and 2 Skills for Employment and Further Learning

Level 1 and 2 Hospitality and Catering

Level 1 Construction

Level 1 Joinery

Level 1 Painting and Decorating

Level 1 Health and Social Care

Level 2 Food Safety

GCSE Maths

GCSE English

Functional Skills up to Level 2

## What if I have a learning difficulty?

Don't worry. Our staff have lots of experience of working with young people with learning difficulties. We will ensure that you are able to achieve to the best of your ability and tutors will set you individual targets.

## What else will I do?

We will help you to get ready for the next step in life. Whether you want to continue learning or move into work or an apprenticeship – we can help you.

You will develop your teamwork skills as well as your ability to work independently. We will help you become aware of your own strengths and how you can improve on your weaknesses, and develop your confidence at the same time. You'll meet new people and have a go at new experiences. Our tutors will make sure you're happy and set you targets to become a better you!

We will help you find work experience in an area you want to try. We'll make sure you improve your maths and English skills and get certificates.

## What is a Traineeship?

The traineeship is an extended work experience where you get £10 per day. We will help you find this work experience in an area suitable for you. We'll also help you improve your employability skills and build your CV, as well as improve your maths and English if you need it.
