

SHERWOOD VOICES

BE PART OF AN EXCITING PROJECT THAT EXPLORES
SHERWOOD FOREST'S HIDDEN MEMORIES.

We're creating a series of unique audio stories
to accompany walks in the area.

We want these stories to be inspired by local voices,
so whether your family has links to the Sherwood
Forest area over many generations,
or you've arrived here more
recently, we want to
hear from you.

SHARE YOUR SHERWOOD STORY

Do you have a tale to tell about the place where you live?

MY TOWN OR VILLAGE IS:

Tell us about the most interesting or unexpected thing -
past or present - you know about your town or village.

It could be a story from your own family, a little known tale or fact, a forgotten
character or unsung hero. It could be something you'd like to tell people about
your town or village that they might not know, and which may surprise them.

We want to send you exciting news about how your stories are being used.

By providing your details below, or filling in our online form, you agree to receive updates about Sherwood Voices
and to be contacted by us or our partners at Excavate Theatre to tell us more about the tale you have shared.
