Individual and small group teaching

This will be charged out as a package price for **each term**:

Individual 30 minute lesson: £209.76 per pupil

30 minute ensemble: £209.76

We recommend that school contracts with parents are constructed as a package price per student based on a minimum of 30 weekly lessons per academic year to offer flexibility for the school finance team where charging policies are in place. In most cases students will benefit from more than 30 weeks, however this will enable you to take into account some cancellations.

Inspire Music will provide a minimum of 30 weeks per academic year, if teaching delivered falls below this due to Inspire Music staff absence each lesson below 30 will be refunded. If a pupil does not complete a full year of teaching, this minimum provision will be pro-rated (i.e. 2 terms will be 20 weeks minimum, 1 term will be 10 weeks minimum).
