

CLASS Quality Improvement Plan 2016/17
(Based on 2015/16 SAR)

Outcomes for Learners					
Identified Area for Improvement	Actions	Success Criteria	By When	By Who (Specify lead)	Intended Outcome
Improve achievement and pass rates 2.1 CL 2.1 SP 2.1 SP 2.2	a) Community Learning - Address the 3 SSAs where the SAR has identified poor attendance, retention and achievement rates. Service wide actions to address low level of ethnic minority and white other retention, achievement and attendance. Take this issue to the EDI group.	Bring 3 SSAs and the performance of ethnic minority and white other learners to the same level as overall (outstanding)	July 2017	Andy Ashley/Quality Improvement Group/EDI Group	For all Community Learning SSAs and learners from all ethnicities to have an achievement rate of outstanding (>90%)
	b) Study Programme – Retention. Ensure that IAG is robust and learners are enrolled on course of appropriate length to meet learners’ needs. Monitor through IAG observations. This will involve staff training and ILR guidance. Develop front end unit delivery to increase attendance and engagement. Commission attendance and retention study.	Increased retention of study programme learners	August 2017	Michael Reid	Study programmes retention to be in line with outstanding Study Programme providers.
	c) GCSE – Employ new maths and English tutor with a focus on GCSE. Introduce maths and English access to online learning. GCSE Improvement Plan to identify specific actions. Commission attendance and retention study. Peer provider research.	Increase percentage of GCSE Grades 4-9	Implement actions by March 2017 Evaluate actions by August 2017	Michael Reid	GCSE improvement rates to be > 50%
