

Imagine you planted one of these objects...

What sort of plant would grow?

STEP 1

Choose an object and imagine if it was a seed. Use your imagination to think about what sort of plant might grow from this seed.

STEP 2

Use the space at the bottom of this page to write some notes or practise drawing your plant.

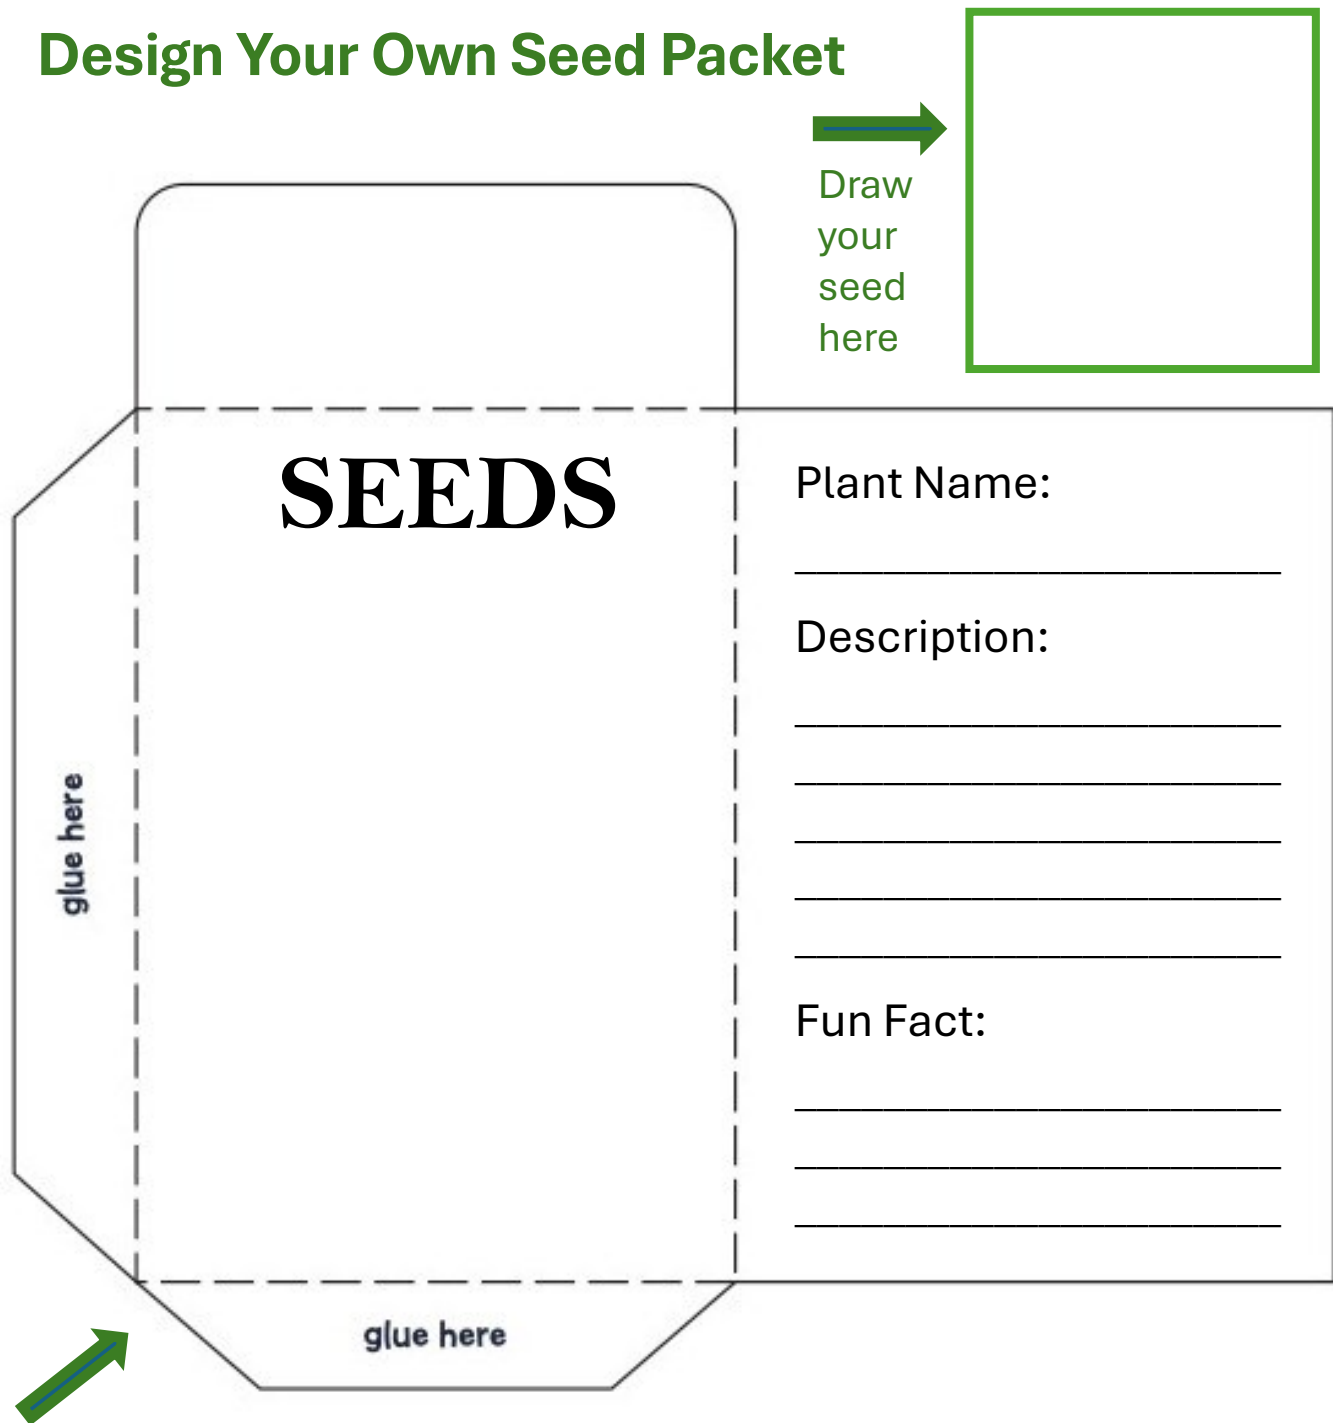

STEP 3

Draw your plant, name it and write a sentence describing it on the seed packet on the other side of this page. Then write a fun fact about your plant.

You will need

- Pencil/pen
- Scissors
- Glue stick

Design Your Own Seed Packet

Draw your plant here

STEP 4

Draw your seed object in the green square at the top of this page and cut it out to put in the envelope.

STEP 5

Cut out your seed packet, fold the flaps along the dotted lines and glue the two flaps at the bottom and side to make the envelope.
