COLIN

One rainy day they lived a caveman called  
caveman Colin caveman Colin was very  
old and grumpy but one day caveman  
Colin was eating food and heard a noise  
he goes outside the cave to check

He sees a footprint caveman Colin says it  
is a dinosaur

So he runs to the cave to get his Club until he sees footprints leading to the food he gets scared because his food might have been eaten so he runs to where the food is and then he sees a cave door what is now called Labrador eating his food

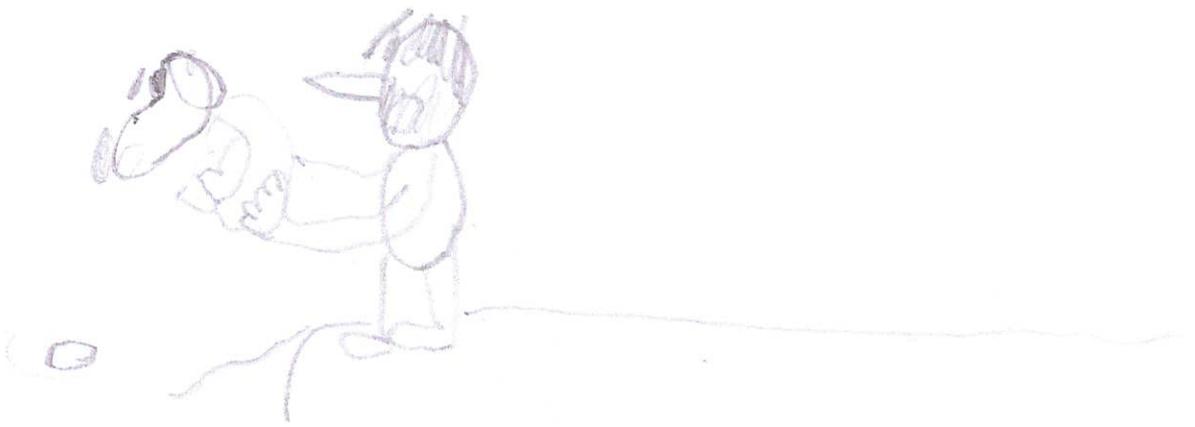

Caveman Colin gets really angry

And he picks the dog up and start shouting at him

He takes the Labrador to a Clift the labrador is terrified but he sees a dirty swamp at the bottom of the ravine

Has caveman Colin was going to throw him off the Clift he looked at caveman Colin and started crying

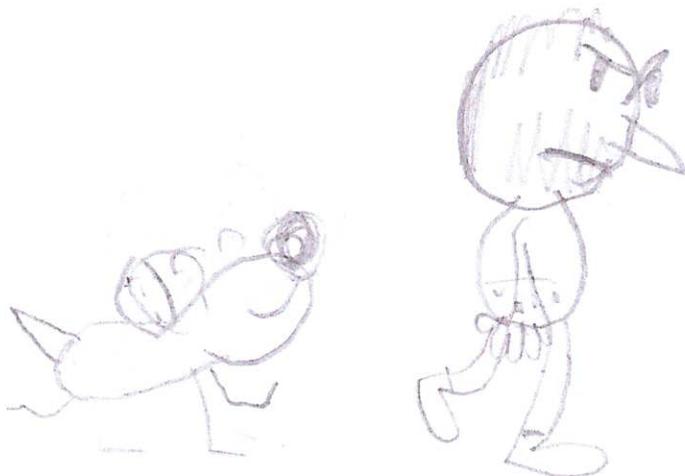

Caveman Colin couldn't throw the dog off the cliff so we put the dog back on the ground and left him but then he finds out the labrador is following him

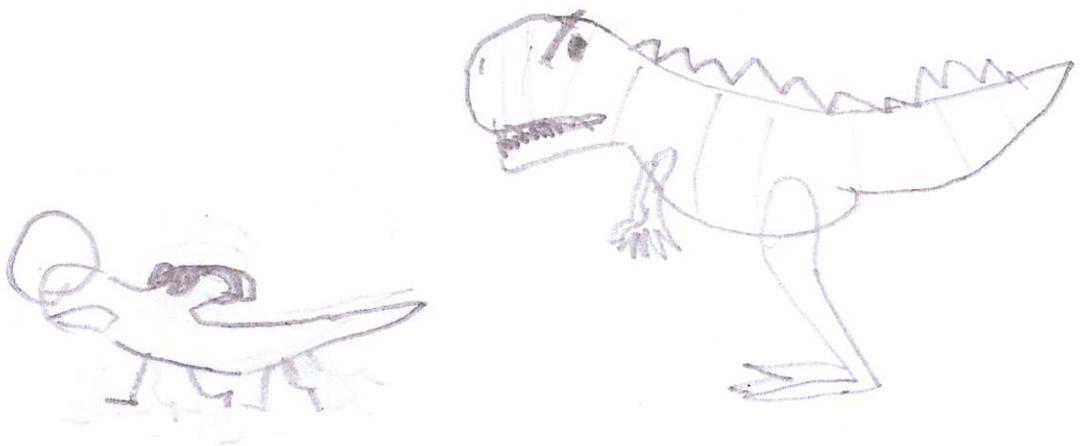

Caveman Colin politely says to go away

And he won't so he keeps walking with the labrador behind him

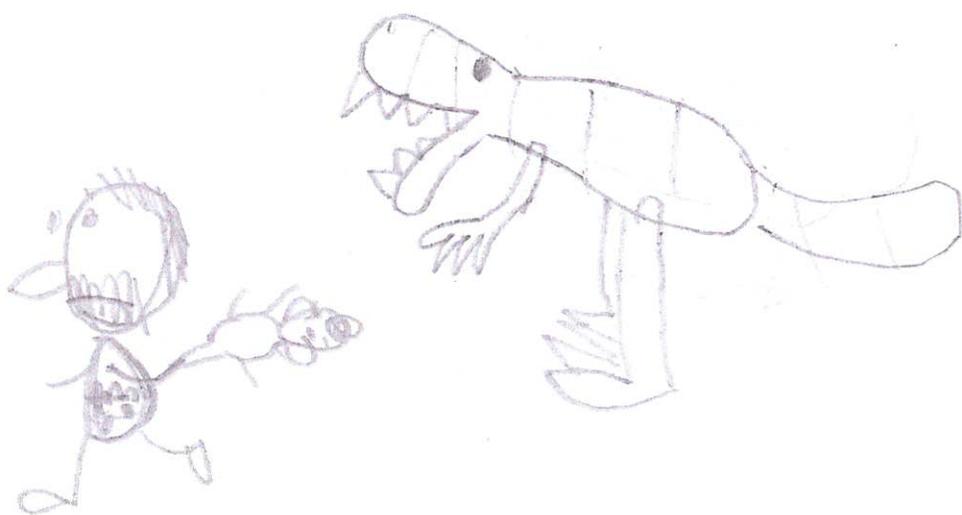

Until the dog starts Barking caveman Colin looks behind him and the dog is barking at a dinosaur caveman Colin trips over the dog fools into a pond the dog starts running away from the dinosaur

The dog trips over a rock caveman Colin gets out of the pond soaking

Caveman Colin sees the dog about to be eaten by the dinosaur caveman Colin runs and hits the dinosaur over the head with his Club caveman Colin picks the labrador up and runs with him

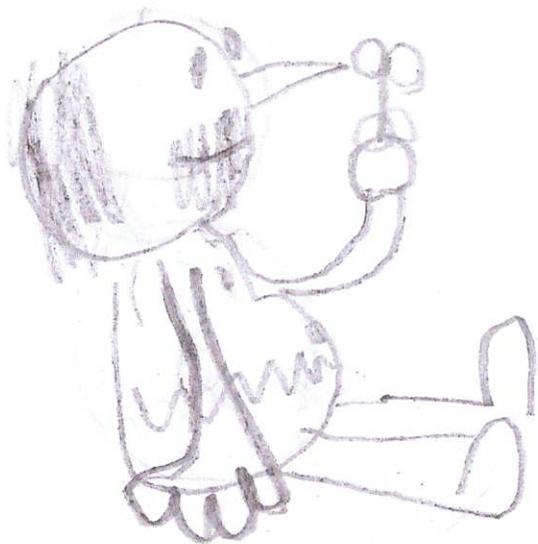

Finally they get back to the cave

Caveman Colin looks at the puppy  
Labrador and doesn't know what to do with  
him caveman Colin feels a rumble in his  
tummy and looks at the Labrador

After his dinner he looked at the pile of bones and thought that dog would have liked these

So he gave the dog a bone and they lived happily ever after in the cave the end
