

Mansfield Central Library
15 August to 27 September 2026

EXHIBITION

We'd like to say a **huge THANK YOU** to everyone who has taken part in the Story Snugglers challenge!

Come and see this stunning display of yarn crafts in the library. The exhibition celebrates the skills and generosity of all the knitters and crocheters involved.

We hope the characterful capes made for little ones to wear while enjoying a bedtime book will go on to be the spark at the start of a lifelong love of reading.

All Story Snugglers specially made for this challenge will be donated by Trussell.
