

Inspire Education Library Service OU/ UKLA Teachers' Reading Group

Are you passionate about:

- Developing children's pleasure in reading?
- Enriching your own knowledge of children's literature?
- Engaging with others to support, network and share ideas?

Then join us to enrich your knowledge and practice!

Our group is informal, friendly, supportive and FREE to join. Whether you are a trainee, ECT, primary/special school teacher, support staff or librarian, everyone is welcome.

Guided by OU/UKLA research, across our five sessions we explore reading for pleasure practice and pedagogy together to develop your knowledge and support your work in nurturing young readers.
