PROGRAMME**  
ARTS & CULTURE  
AT THE OLD LIBRARY,  
MANSFIELD  
AND ACROSS  
NOTTINGHAMSHIRE

**We are excited to introduce  
you to Inspire Youth Arts!**

Formerly known as County Youth Arts, we are an award-winning specialist creative service with a 20-year history of producing innovative, high quality, bespoke arts projects with and for young people across Nottinghamshire and beyond.

**THE SERVICE HAS:**

- Worked with over 30,000 young people
- Delivered over 3,500 projects
- Produced over 2,000 performances to 50,000 audience members
- Invested an additional £2 million into youth arts in Nottinghamshire.

## Get involved!

Inspire Youth Arts offers exciting opportunities for young people to take part in arts projects and programmes across three main artistic strands – Music, Dance and Digital often crossing over art forms to produce ambitious and innovative results. We work with professional artists and companies to achieve this.

We provide inclusive opportunities for all young people to access and enjoy arts and music and we deliver many projects that focus on disabled young people and children in challenging circumstances.

In partnership with Orchestras Live and Nottinghamshire Schools, Inspire Youth Arts devised and developed **Able Orchestra** putting disabled young musicians on equal terms with other musicians. Visit [inspireculture.org.uk/able](http://inspireculture.org.uk/able) for more information

Now part of **Inspire** who deliver culture, learning and libraries on behalf of Nottinghamshire County Council, we are excited to launch the next phase of development for the service under a new name and with the publication of a programme. Read on for details of our first seasonal and regular programme taking place between September 2017 and March 2018.

## CAN ALL YOUNG PEOPLE MAKE GREAT ART? WE THINK SO!

**WE BELIEVE THAT ALL YOUNG PEOPLE  
SHOULD HAVE THE OPPORTUNITY TO:**

- Access the highest quality arts
- Explore their own capabilities, strengths and unlock their full potential
