Can all young people make great art? ?

We think so! Here at Inspire Youth Arts (IYA) we believe that all young people should have the opportunity to access the highest quality arts; explore their own capabilities and strengths, unlock their full potential and to make the unimaginable happen.

Working alongside professional artists and companies we have amazing opportunities, across the county, for young people to take part in projects and programmes across our four main artistic strands; music, dance, digital and disability.

We're based at The Old Library in Mansfield – a unique arts venue in the heart of town – offering a professional recording studio, 100 seat studio theatre, exhibition area, café-bar, mac suite and a number of meeting, teaching, workshop and rehearsal spaces.
