

When can I start?

This is flexible – you can start anytime.

Our bases are open from September to July. The programme is personalised to you and you work at your own pace. You're also given time off over summer, at Christmas and Easter, as well as half-term breaks.

Will I get paid?

We pay a bursary to all students aged 16-19 (up to 24 with an EHCP; the rate is dependent upon your circumstances).

All travel costs are refunded and you may be entitled to free meals. Child benefit is not affected.

How do I apply?

You can apply at any time over the phone, via email or online:

0115 804 4363

Is it for me?

If you're aged 16-24 and you're not sure what your next steps are, get in touch. We offer tailored Study Programmes and Traineeships that will help you develop your skills whilst gaining real work experience.

- Dedicated study centres where you will be treated as a young adult, and where you'll be encouraged to develop your personal responsibility and independence.
- Friendly and qualified staff with the time and expertise needed to give you individualised training and support to help you progress in both education and life, and reach your potential.
- A service with extensive experience of working with young people who have learning difficulties and disabilities.
- Support for you to develop skills in teamwork and increase your confidence, building on your personal strengths, and improving your weaknesses.
- Opportunities for you to meet new people and encounter new and exciting experiences.

What's a Study Programme?

On our Study Programmes, you'll work with us for 3 days per week towards a recognised City and Guilds or Aim Awards qualification, as well as maths and English.

Study programmes in Retford

- **Level 1 and 2 Aim Awards in Employability which includes units on Personal and Social Development, Teamwork, Customer Service and Emotional Resilience.**
- **GCSE Maths and English (for students who have achieved a D/3).**
- **City and Guilds Functional Skills in Maths and English.**
- **Work experience is also an integral part of the programme, with all young people having the opportunity to access both community work and an individual, personalised work placement during their time with us.**

What's a Traineeship?

A Traineeship lasts up to 6 months and involves extended work experience for which you are paid a daily bursary whilst in placement.

We help you to find work experience in an area suitable for you and help you to improve your employability skills, build your CV, as well as improve your maths and English if you are yet to achieve a C or 4 in either.

Where can I learn?

Your local study centre is **Retford Young People's Centre, Arlington Way, Retford, Nottinghamshire, DN22 6EA**

You can also access our study programmes through our bases in Eastwood, Stapleford, Newark, Ollerton and Worksop. Hospitality and Catering are available in Mansfield, and in Sutton-in-Ashfield, we provide Health and Social Care, Construction, Painting and Decorating and Joinery.
