# WELCOME TO YOUR NOVEMBER - MARCH SEASON! ARTS AND CULTURE, LIVE AT YOUR LIBRARY

This season we welcome two wonderful family theatre performances. Based on the popular novels by Tove Jansson, *Mischief and Mystery in Moominvalley* arrives first, with puppetry, music and surprises set to delight young audiences. For the festive period, Handmade Theatre brings us *The Great Christmas Dig*. Presented in partnership with Mansfield Palace Theatre, this interactive family show takes us back in time to discover the secrets of Christmas.

A magical storytelling journey is in store with *Story Explorers: Polar Adventures* - featuring puppetry, music and sensory play for families with little ones to enjoy. Plus, visit the gallery to discover the Big Draw 2018: Play! exhibition celebrating libraries, amazing automata and the creativity of local children.

For grown-up book lovers, bestselling rom-com writer Cathy Bramley joins us for tea and chat, while aspiring writers have the chance to try *Thinking Like a Poet* at a fascinating workshop led by poet Sue Dymoke.

We focus on both local and national heritage, with events including a fascinating look at Papplewick Pumping Station and an exploration of the lives of three iconic Elizabethan women.

We look forward to welcoming you to your library soon!

Inspire is registered for the **Family Arts Standards** for family events in our four largest libraries, including Mansfield Central. This means we are working hard to make families feel welcome. Look out for events in our programme and online with this badge:

SPANISH FLU: NURSING  
DURING HISTORY'S  
DEADLIEST PANDEMIC**

**Saturday 5 January to  
Wednesday 14 February  
Free**

This travelling exhibition comes to us from the Florence Nightingale Museum in London - marking 100 years since the outbreak of the Spanish Flu.

Explore the experiences of those who lived and died during the deadliest pandemic in human history, which infected up to half of the world's population, and discover whether a similarly devastating pandemic could happen again. The death toll far outstripped that of the First World War, and there was no cure. Good nursing was the only hope to halt this deadly killer.
